My girlfriends gave me this stainless steel double dong at my bridal shower last year. My husband doesn't know I even have it.

Well – it and I have become good friends. It never talks back to me. It's always there when I need it. And it's always HARD!

Next week I've invited my best girlfriend over for some fun. I've never shared this with anyone, so I can't wait to see her face when I pull it out and then put it in her. I can't wait.

Is there anything else you would like to see me do with this beautiful sexual instrument?
If you're over 18 you can call me and tell me what you want to see.

I HOPE YOU LIKE THESE PHOTOS. I HAD A GREAT TIME DOING THEM. THE PHOTOGRAPHER TOLD ME TO THINK ABOUT THE HOTTEST SEX I EVER HAD. I LAUGHED AND TOLD HER IT HASN'T HAPPENED IT YET.

SHE TOLD ME TO IMAGINE IT AND I DID. IT WAS WITH HER AND THE ASSISTANT. HE WAS HOT. WE WOULD FINISH THIS SHOOT AND AS THEY WERE CLEANING UP, I'D PULL THEM BOTH ONTO THIS BED AND WE'D DO IT RIGHT HERE. SINCE I WAS ALREADY NAKED, SHE WOULD GO DOWN AND LICK MY PUSSY AND I'D HAVE HER SIT ON MY FACE.

THE ASSITANT WOULD GIVE ME A RIDE HOME & I'D BLOW HIM – AGAIN!

WHAT ELSE MAKES YOU HOT – BESIDES ME?

Senior Seduction

Sarah and Anna have been licking each others' pussies for more than twenty years. Life-long friends, they're eager to share the love they have inside. They meet for sex every Sunday, right after going to church together.

Blonde Sarah lost her husband fifteen years ago and lovely brunette Anna stills has hers. He's very understanding. They have let him watch a few times but never to join in.

With no cocks around, the two lovelies, bring out their second best friends. They each own over two dozen dildos, so there's a new one to use almost every week. Sarah likes hers big and fleshy while Anna prefers a more subdued version. But whichever they choose they sure know how to use them.

Gabrielle

Full of sexy swagger, Gabby is one hot, fine senior sexpot. Right?

I try to keep my body in shape. My boobs look good and I'm toned and slim. This keeps the older guys at bay and the young ones knocking at my door day and night.

A lot of great sex keeps me young, too. I love to fuck. The guy has to be able to keep up with me because I can suck his dick for hours.

I'm also just a little bit kinky. I once gave my handsome dentist a blow job right in his office. The height of the chair was perfect, and so was I. My doctor or mechanic might be next. We'll see.

SEX IS THE MOST NATURAL THING TO ME. I LOVE THE TASTE OF COCK AND PUSSY. I LOVE WOMEN AS MUCH AS I LOVE MEN. BOTH SEXES NEED LOVE AND I'M READY TO GIVE IT.

Dr Sabrina returns with more words for you

Dr. Sabrina responds to Harvey who has a special problem falling asleep now that he's all alone.
If you have questions about the opposite sex or even yourself, then Dr. Sabrina may have the answer.
Read on!

Dear Dr. Sabrina,

This is a bit of a hard letter to write, but I'm going to do it anyway. Please don't preach to me about seeing a doctor or a therapist because I don't have that kind of money. And I know writing to a lady in a magazine is not the best answer either, but I just have to do something. I've come to my wit's end over this and need another ear that will listen.

I'm a septuagenarian and moved to Florida about five years ago with my wife. We lived up north, but as many older couples do, we moved to the South to seek better climate and more people our own age. A year ago my beloved passed and I've been in a funk ever since. I miss her terribly and I miss her companionship, in the sack. I have not been able to sleep very well and the problem seems to be getting worse. When she was alive, we would go to bed together and she would rub my cock and balls until I fell asleep. She was an angel about it, and no matter how she felt, she would always find some time to rub me.

Every once in a while she would go down on me, usually without her teeth and give me, what we liked to call, a gum job. It felt great. But it's not that I'm missing, it's the cock rubbing and the ball holding. My balls would fit perfectly in her hand and she would wiggle her fingers giving me a nice sensation down there. Oftentimes I would not be hard as she held my cock but just the feeling of her hands around it was very reassuring and eventually I would fall asleep. Sometimes she would fall asleep first still holding me down there. Often I would awake in the middle of the night to go to the bathroom, and I would come back to bed and put her hand back on my privates, even as she was sleeping.

One morning I woke up and she was still holding my cock. She was on her back with her right hand on me. I leaned over to kiss her like I did every morning that we were married. I got up and left her asleep. Had my coffee and bagel and went back to be sure she was awake because we had things to do that day. She did not wake up.

So here I am a year later unable to sleep. I've tried holding myself, putting a warm anything down there, I purchased a fake vagina, but nothing seems to help. I cannot fall asleep without my cock and balls in someone's hands. I have found a couple ladies that I've romanced, but they were too set in their ways to accommodate an old man. They have made me realize just how special my wife was.

Can you please give me any advice as to either falling comfortably asleep or finding a woman that would do this for me? I'm a desperate insomniac.

– Harvey W., Boca Raton

Dearest Harvey,

I'm so sorry to hear about your loss. She sounds like a saint and you two were really in love. Your loss seems to have manifested a restlessness inside of you that keeps you from a good sleep. Your mind, as well as your body, is seeking that physical sedative that her hands on your privates provided.

As you describe it, it's obvious that it's not a sexual thing. Granted once in a while it may have turned into it, but it's more like a child having a teddy bear to fall asleep with. It's the security of another next to you. You say you've tried other ladies, but they will not or cannot do what your wife did. That's because it's just as much as a psychological thing as a physical thing. You know they are not your wife and it's just not the same.

I'm afraid something like this will just take time. And yes, I'm going to suggest you keep trying different things to help you sleep. If masturbation does not help then you're old enough to know what else to try, but if it's going to be medicinal, please consult your doctor.
Sweet dreams. – Dr. S.

Letters From Our Readers

Comments on the magazine, the sexy ladies, and their thoughts on sex. These are real letters from our readers who let it all hang out!

Dear 50+,

I gotta tell you how absolutely gorgeous Josephine was in your last issue. What a babe for fifty-plus. I couldn't believe how great her body looked and her boobs especially. They look real and I like them that way. Most of the other ladies in the issue were good too, but Josephine was a true hottie. I especially liked her interview (I liked the photos more, though) and she seems like a genuinely nice person. Like someone you'd meet at a coffee shop rather than a bar. Thanks for the candid look at one fine lady.

– Sam, Portland

Editors of 50 Plus,

Before I got married, I had quite the reputations as a lady's man. I gave my not-yet wife, Beckie, her first orgasm when she was twenty-two and so she thought I was a great lover – then we got hitched. But she doesn't know that everything I learned about sex with a woman was that I learned it from her sister.

Her sister, Fannie, is a year older than my wife. I had met Fannie first at a funeral we were attending for a local basketball hero that died in a car accident. Fannie was sitting in the row behind me and was balling her eyes out. Apparently she had dated the dude in high school. Her sobbing was beginning to bug me, so I turned around to say something to her and noticed she didn't have a tissue or hankie. Thinking quick, I offered her my hankie, more to muffle her crying than to dry her tears. After the funeral ended, she found me and tried to return my hankie. I told her to keep it, and she kinda smiled, realizing I did not want to put that wet thing back in my pocket.

We started up some small talk about the deceased and some other folks we had in common, and she turned out to be a nice chick. I couldn't help to notice how fine she was after she took off her big black hat and veil. Now, when I say I'm a ladies man, check this out… I asked her if she needed a ride somewhere or back to her apartment. She said no thanks, her sister was coming to pick her up, but wouldn't be there until 5pm because she didn't know how long the funeral would be, It finished a few minutes after four. I offered to wait with her at the church until her sister Beckie came to pick her up. She said that was very nice of me and she appreciated it. I, on the other hand, had ulterior motives. I wanted her pussy and I was going to get it before Beckie showed up.

The church was emptying and the priest was closing the doors. I suggested we wait back in my car. We took our time walking to the parking lot. I was playing her as best I could, but also hoping most of the cars would have left by the time we got there. It was getting dark outside and as we got to the car, like a gentleman, I opened the door for her. She got in and I did the same. She commented on how sweet I was to do this for her, and, so smooth, I suggested she be sweet to me for being so sweet to her. She got it right away and without hesitation she groped my crotch and felt my already hard-on. She pulled down my zipper and my dick sprung up. Grabbing it, she began stoking it up and down. After a few hard strokes, she leaned across the front seat and put her head in my lap and her mouth over my dick. Fannie's lips were all over my dick, up and down the shaft, swirling her tongue around the head, and gulping the whole thing down as I reclined the driver's seat to make plenty of space for her. After about twenty minutes of cock-sucking she lifted her head and said "Get out." I was shocked at that but her look let me know what she meant.

My car was at the far end of the lot and it was pretty much empty by now. I got out and looked around, coast was clear, and she came out and leaned over the trunk of my Pontiac. She pulled her black panties down over her black stockings. Her dark ass was lit by the parking lot lights. She pulled my dick out and guided it into her pussy. I was amazed at how wet she was, but that thought quickly faded. She was leaning with her legs spread and her butt arched up and looked at me over her shoulder. She pushed her butt against me as I pumped my dick into her. The car was shaking in rhythm to my thrusts and she was moaning out loud. It reminded me of her sobbing in the church and that made me fuck her even harder.

She reached between her legs and grabbed my balls as she sensed I was about to cum. She pulled on them as my cock came out and twisted them as I pushed my cock back in. Man she was good. When she felt me about to cum, she squeezed my balls pulling them and my cock went in even deeper. Like a gentleman, I asked if I should pull out and she said, "Hell no!" and I gushed so much jizz inside her, it came seeping out the sides of her pussy. She let go of my balls and finger wiped the excess and licked her fingers clean. Damn, she was good.

We had barely finished as some headlights turned into the parking lot. I leaned against the car acting cool, as her sister drove up and pulled up next to us. Fannie went around to the passenger door and opened it, leaning over to introduce me to her sister. Beckie looked back at me, rolled down her window and extended her hand to say hello. I took it and smoothly said hello in a soft voice and she giggled. Through the window I heard Fannie say how sweet I was to wait with her and Beckie looked at me and said thank you for watching her. I invited them both to dinner on Wednesday, but Fannie said she'd be out of town that night. Beckie said she could come lowering her eyes as she rolled the window back up. I told her I was sure she would.

As I went back to my car and sat in the seat, I noticed my zipper was still down. And Beckie still accepted my invite. Well, that was thirty years ago that Beckie went to dinner. We went out again and again but I never went out with Fannie again. Not that it matters, because it is Beckie that I love. I still don't know if Fannie has ever told her about our little tryst in the church's parking lot, but it hasn't seemed to matter at all. Should it?

– Sheldon B., Kansas City

Sheldon, No, it shouldn't matter. That was a long time ago and bygones should be bygones. It's past history, water under the bridge. But if it ever comes up at this point in time treat it like a fond memory, not like a hot tryst with your wife's sister. Obviously it has not affected Fannie and she has kept quiet about it realizing you love Beckie, and she doesn't want to ruin that. – Ed.

JOSEPHINE CALLED OUR OFFICE AFTER HER PICTORAL RAN AND SAID SHE JUST LOVED IT. WE DECIDED TO RUN ONE MORE PHOTO FOR YOU.

Dear 50+,

A short while ago I received a call from someone in my past. It was lazy Sunday afternoon and the phone rang. I wasn't doing much and wanted to keep it that way. After many rings I decided to answer it and on the other side was Steven. I didn't recognize his voice at first. It has been almost ten years.

Steven and I didn't have much of a relationship. He was the rebound guy after my husband left me for another man. We talked about things at first, but stopped talking and kept fucking. It was a cold hard act, but we both managed to get through it and stay civil to each other. I have been celibate for a while, but when I heard from Steven, I realized how long it had actually been. Three years.

I wondered why he was calling and asked him. He said he had been thinking about me and was in town for a week on a business conference. He wanted to get together for dinner and reminisce. I didn't want too much of anything from him and told him so. We cordially said god bye and hung up.

Twenty minutes later, I'm defrosting a chicken and he calls again. He said, quite forcefully, that I should have dinner with him. It would do me good and he would only be available for tonight. I reluctantly agreed and put the fowl back in the fridge. He was over within the hour and I was ready. I invited him in and offered a drink. He accepted and I poured him a bourbon and he sat down. Damn it he didn't look good. A slim salt-n-pepper fifty-eight year old looking dapper in his business suit. I thought to myself, I can eat anytime, this guy looks so good, I should eat him. As the evening wore on, we kept drinking and were in no position to go out. I told him I needed to lay down and went to the bedroom. He followed and before I knew it I was naked on the bed with my head spinning around. Steven got into the bed beside me. I was feeling the alcohol and his fingers, too. They were working that old magic and I was liking it. He slid a finger into my pussy and I instinctively arched up. Then he inserted more and I ground my hips against his palm. I bit my lip and begged him for more. He began licking my nipples, one at a time as I shuddered under his thrusting hand. I began to rock my hips against his palm. He tried whispering to me but I tuned him out as I concentrated on the feelings below my waist.

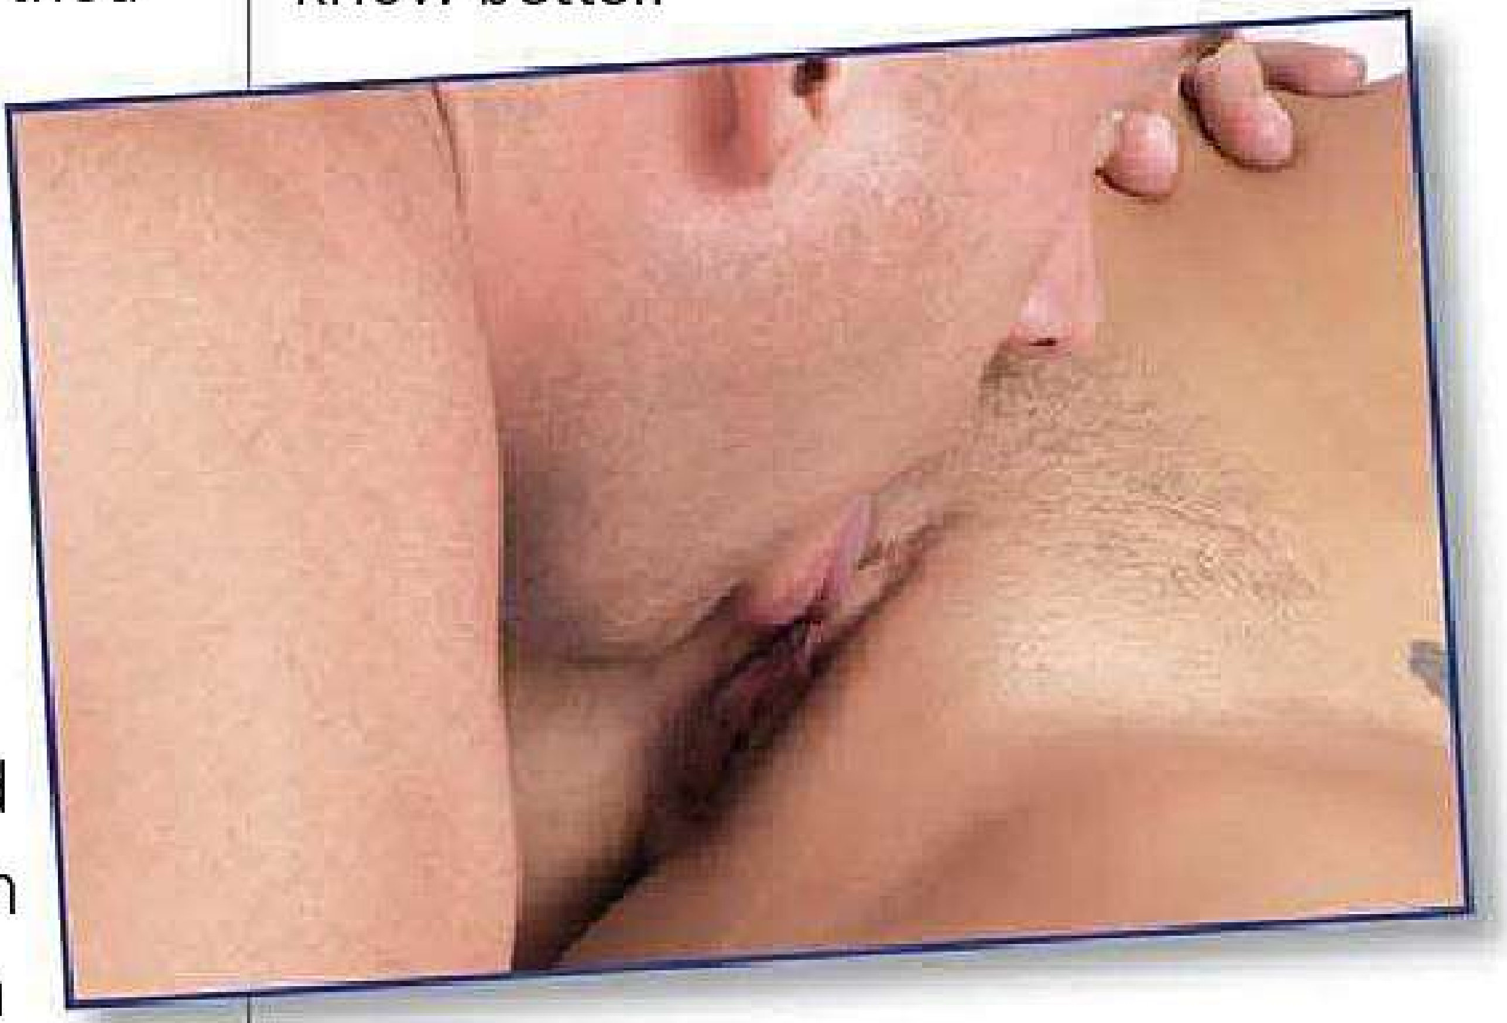
He opened my legs and slid his face down between them. His fingers exited my pussy and began playing with my clit. I pushed his hands hard into it. His lips replaced his fingers on my clit, and then his teeth. I felt pain and pleasure at the same time. I came as he tongued me deeply and made him feel my ecstasy. I pulled his head and hands away from my pussy and rolled over. I was still woozy from the drinks and my head was spinning from my climax. I mumbled something as he reached for my hand to put on his cock. I remember touching something hard, but that's about it. I think I heard him try to mumble something but I was out and don't remember anything.

When I woke up a few hours later, he was gone. I rolled over and felt something wet and sticky on my stomach. I dragged myself to the shower to clean him off of me. I realized what happened and it did not bother me. It was nice to see Steven again, if only for that night. He did not call me in the morning or even the rest of the week. And I don't really care if it is another ten years before I fuck him again.

– Selma, Atlanta

To the editor,

I hope you will print my letter. I just want to vent a little about fifty-plus women showing their assets in magazines like yours. I think I'm pretty liberal when it comes to most things, but this is not something I condone. I have no problem with men's magazine's and even think a young woman's body is attractive and should be shown in an appropriate manner. But the women showing their goodies at advanced ages, well they should know better.



I don't know why men would want to look at wrinkles and rolls, and at places where most have popped out at least a few kids. I believe in freedom of the press, but these ladies should censor themselves and leave nudity for the pretty people.

– Martha K., Baltimore

Dear Martha, Thank you for writing and venting. We know there are people who think like you out there, and that is fine. Please feel free to think as you like, but allow us the same courtesy. We publish for an audience that DOES find those women attractive. All we can add is that this is a wonderful country, isn't it? – Ed

GIANA, LEGGY GODDESS

The recent issue of Leggy Wives with Giana on the cover made me weak in the knees and hard inside my pants. SHE IS A GODDESS. From her perfect curls to her perfect toes, she is the definition of what a woman is. The photo layout was exquisite too. The photographer captured this angel as innocent and as sexy and as naughty. I must have looked at her pictures for more than four hours the day I bought the magazine.

I was so enthralled with her that I went back and bought another issue so that it would stay pristine as the years went by. Thank you for bringing this absolute beauty to the world.

– Trevor, Minneapolis

We concur. When her test photos came across our desk, we had to order extra boxes of tissue – to clean up all the slobber, guys. When we got the pictorial, we knew she was a winner in every sense of the word. – Ed

GIANA RULES

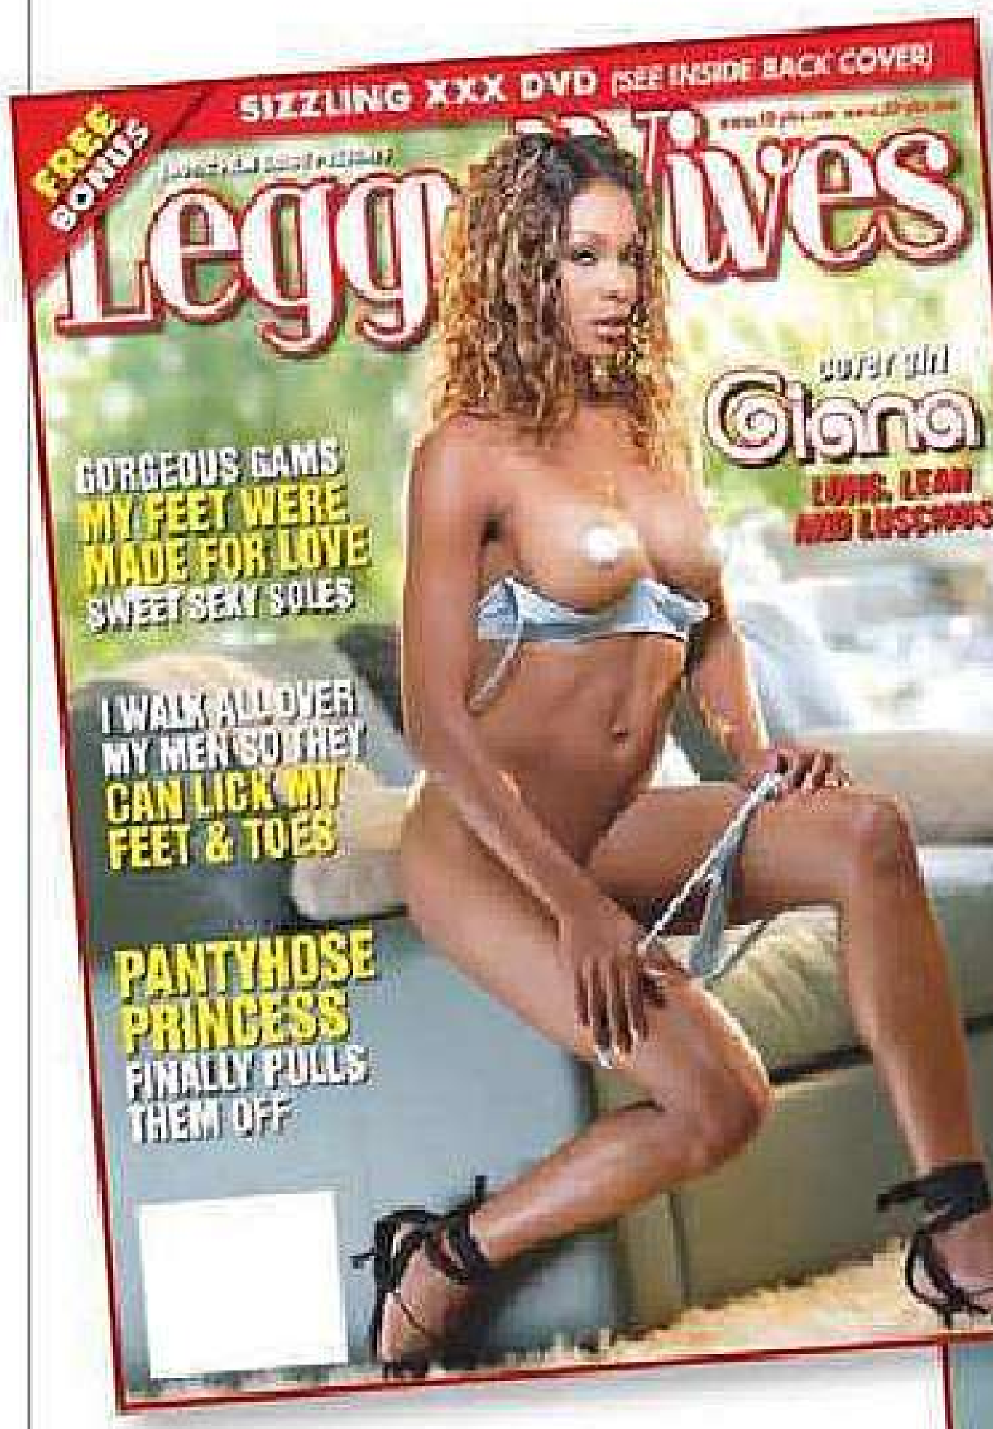
However many girls you had to look trough to find Giana was worth it. Your job must really be tough. But let me get right to the point; I love her long slender legs and those shoes she was wearing really make her feet look gorgeous.

The powder blue bra and panty set contrasting against her brown skin was very beautiful. I like the way she kept it on for the pictorial. And I like the way she worked the sofa. Her poses really accentuated her long legs and when she sat on the floor and spread them, I was in pussy heaven. Just enough hair to keep it interesting, but not enough to obscure the view. Nice! She was a perfect choice for a cover girl and her pictorial was just hot enough to make me pop! I'm putting down this pen so I can do it again. Please excuse me…

– Larry B., Scranton

LIKING LEGS MORE?

I've always been a breast man, myself, but when I saw Giana on the cover of your magazine, I had to buy it and check her out. And I admit, I am staring to turn into a bit of a leg man. Giana has great gams. They seem like they could wrap right around me and hold my face there as I lick her pussy. I would start slow with my tongue, adding some nips and bites to arouse her even more. Then I would slide my hands up her beautiful chest to cup her perfect size boobs in them. Squeeze them and then pinch her nipples as I jam my tongue deeper into her slit.



Then I would unwrap her legs from my head and hold them spread-eagle as I take in every inch of her and gaze at the wet pussy I just left. I'd take her toes on my mouth, left one first, and nibble each and every toe as I watched her watching me do it. I'd then take all her toes in my mouth and selectively work each one with my tongue, taking time to insert it between her toes and tickle her. We'd end up sitting across from each other on the floor with her feet around my cock, pumping it until I came on them. Then I'd watch her get up and walk a to the bathroom with that great ass wiggling.

– Albert, Boston

DAYDREAMING OF GIANA

I had to buy your magazine when I saw this girl Giana on the cover. She is HOT. I'm a college student majoring in Journalism and I found her as my muse. After I stared at her pictures, I sat down at my computer an composed this note to her.

<< Giana, I've sucked each of your toes, and licked the spaces in between not once and not twice but as many times as it takes to know their softness and excitation. I'd explore the fullness of your hips, and trace curves of your asscheeks with the tip of my tongue. I would caress the backs of your thighs, and the spot where your spine meets its end would hold my attention until I knew it's every cell. After months of roaming over every inch of your body, I would linger at your breasts until the moon turns through two of its cycles. I'd circle your nipples with my tongue like a vortex until they made you moan in their ecstasy.

My journey would continue unabated into the depths below your navel. An area that has been hidden to all, yet wants to be discovered. I can only imagine what I would find there in the forbidden spaces between your thighs. I can only imagine. Would you be wet and welcoming or closed tighter than the gates of heaven to sinners. Would you welcome my fingers or my tongue or, hope of hopes, my swollen member?

Giana's back with her great legs one more time. Her appearance in the last Leggy Wives generated so much mail we had to tip the mailman. His tip - he wanted twenty copies of her issue!!!

If you agree, even then I would not be satisfied even if I had you each and every day. Even If I felt your heaving orgasms, I would want to feel them again, more intense, more personal each time you reached that sweet peak. Each time you lose control

You have something to say to us?

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

and I am right there with you to hasten it's cumming once again. I am there to seek your warmth, your smells, your tastes, your sex. I am there for the path to you is a daunting one, but I will persevere.>>

Well, that's a start. I hope to have more as the day breaks and my classes end. If I write more, I will send them to you and hope my daydreams will reach Giana's heart.

– Louis, Louisiana

Wow, Louis! What can we say after that. Our brains have turned to mush with your imagery. If these are your daydreams, we're afraid to ask what your nightmares bring. Nonetheless, we're sure Giana appreciates the thought and sentiment that went into every word you wrote or thought. – Ed.

ASS-TOUNDING STORY

I saw the bathroom sex scene in the last issue of Leggy Wives [Fixing Her Pipes – Ed.] and it made me laugh because I'm the ass-man. The Booty King. The Sultan of the Sphincter. Let me tell you why. I get more ass than anyone I know, and probably anyone you know. I can coax anal virgins to give it up to me – and like it – the first time.

Let me tell you about this anal cherry I popped of Jackie's. I started by telling her to get on her hands and knees and she obeys. I tell her to say "Ahhhh," and stuff my cock in there. I watch as her head bobs up and down on my Huge cock. Yes, it's huge, What else would it be? Jackie sucked my dick until I got hard as a rock and squirted all over her face. I love blasting her face with my huge, hot load. I then told her to lick up and she did. She lapped it all up without leaving a drop.

Next, it was time to fuck her in the ass. I made lay on her back with her feet over her head. This exposed her pussy and ass to my super-hard, super- large dick. I lean over and spread her butt cheeks so my fingers can lube her up. I tell her it's only going to hurt a little and she's going to like it. I tell her I'll be gentle and she'll want more when I'm done. I spread the lube heavily around her asshole and feel her quiver in anticipation. I push my cock towards the clenched opening and with a swift thrust, I go in. I put my hands on Jackie's hips and pushed my dick deeper into her tight asshole. I lift her hips and push it in and pull it out in a rythm that is sure to get her into it too. Her hips begin responding to me after the initial pain and fear have subsided. The deed is done and she's groovin' on it. I tell Jackie to turn over so I can fuck her in the ass some more. She obediently obliges, getting on all fours and lifting her ass in the air, daring me to stick it in again. And I do. One long push all the way to my balls and she collapses on the bed. I pull it almost all the way out and she backs up her butt so it won't fall out. It won't. She grinds her butt hard against me and I push back. We do this until she begs me to push it in and pull back wanting to feel it go in and then back out. Jackie cums, as she says, like she's never cum before. She says that she didn't know what she had been missing her whole life. I smile and agree.

I love fucking women in the ass. It's a pleasure which every man and woman should experience. especially the anal virgins with their tight assholes. It's a sensation that even the all-sacred pussy cannot equal. Guys, if you haven't fucked an asshole, do so before you die or you'll be missing out on one of the great joys and pleasures of life. Ladies, if you have not had anal sex, by all means do it. It will awaken something in you that straight pussy-fucking just cannot do. Just bend over and say yes. It's good for your overall emotional, physical and sexual health. Just ask any lady who has done it and they'll tell you it's one of God's better gifts to humanity. Well, maybe not in those words, but if they groove on it, they'll tell you so.

So, yes, I boast about my anal conquests, but they are not without their redemption. As we mature sexually, we learn that taboos are there for a reason. They feel too damn good to be allowed to all.

– Heath B., Dallas

Heath, that was quite a dissertation. Quite an anal-ysis of the good and not-so-much of the bad of Greek love. While we too love anal, there are cautions to be observed, especially when one's butthole is deflowered. Nonetheless, good stuff, anyway. – Ed

WOMEN

MATURE WOMAN

Hi, I'm a bored, blond suburban housewife who's oversexed and over stacked. My husband just can't satisfy me. He doesn't understand that a 40-something woman has lots more experience than these young bitches. Our bodies are at their highest sexual peek and we want a hard cock right now! My measurements are 38DD-25-36 and my ass is as tight as a drum. I'm looking for a stud to get me off. Can you handle that? I do everything, BJs, anal, threesomes, fetish, role playing, around-the-world - anything goes! You name your sexual kick and I'm the woman who'll satisfy you. Dare to be bad with me. Write me now. Seductively yours,
Barbara B., Wilmington, DE.

30-SOMETHING SLUT

Hi, I'm not a 20-something anymore but my body still rocks and I'm more horny than ever. I need men who appreciate a girl when she starts to mature. My pussy still gets wet at the very touch of a man (or a woman). It makes me nuts that guys don't get it that we blow these young bitches away. We know how to please with our mouths, and even anally so give me a try. I like real dirty talk.
Don't delay. Julie P., Los Angeles, CA.

LONELY

My husband left me for a 19 year-old slut last year and I want to get back at him badly by having sex with as many men as I can. That means you! I'm a very attractive woman in her mid 40s with dark hair. I'm half Latin and half German so I have a great, exotic look. My body is very good for a woman with two kids. Still an hourglass figure. Long legsv and tight buns (I work out regularly). I haven't had a lot of sexual experience but I'm open (wide open). Please send a nice intro letter first.
Maria, Houston, TX.

MEN

YOUNG MAN WANTS MOM

OK, so I'm only 18 but I love older chicks. I had this thing for my best friend's mom forever. She's so fucking hot! She wears those black seam stockings and tight ass dresses and just drives me wild. I want a woman like that with big tits and a big ass. No young cheerleader bitches. Just mature sex-starved women who want a young stud to fuck them all night long. I can do it. I also eat pussy. Send your letter to: Bud, Portland, OR.

HANDSOME STUD SICK OF POSERS

I'm sick and tired of chicks who want nothing but guys with money. I want an older MILF or cougar who will be thankful when I do her all night long. Don't ask me about how much fucking money I make, just as me how big my dick is or how long is my tongue because that's what I'm going to use on you. And you better thank me once I cum in your mouth.
Billy, Tacoma, WA.

NEW YORKER

Yo, old bitches. I don't care how old you are – 30, 40, 50, even 60. I'll do any woman who puts out. But you gotta do whatever I tell you to do, OK? So be prepared if it's really weird shit. Don't write to me if you don't want to do really crazy stuff and sex that you only read about in magazines like this. I'm the real deal. I have had se with at least 500 babes here in Brooklyn alone and that's not even counting Manhattan. I go to clubs there and find women your age all the time. So why am I writing to this magazine? Because I want more, OK? I'm handsome and work in law enforcement. Tell me how you look. No ugly chicks. If you're over 50 you better be in good shape. No saggy tits or asses. Mario, Brooklyn, NY.

NEEDS EXPERIENCE

I need an experienced woman to teach me about sex. I've only experienced kissing. Once I put my finger in a girl's hole but that's it. I need a woman who knows how to teach a young guy. Can you help me? I jerk off two or three times a day and always think of my teachers and female bosses (who are older) so please make sure you're like the women in this magazine. Oh, and I like those big white panties and big white bras for you to wear.
Clive, Chicago, IL.

Letters to the editor

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

IS THAT HOT – OR WHAT!

Your last issue of MaXimum MILF was amazing. I cannot believe how hot the cover girls, Bailey and Arin [Erin] are, and what a hot scene they did. That dildo ball/balloon is just the best. I have never seen anything like that before. I can just imagine my wife sitting on it and blowing me at the same time. Would that be hot, or what! Anyway, keep up the good work and I'll keep buying.

– Frankie, L.A. CA

BATHROOM BLISSED!

I do not have great story for you but I'm writing this letter because my husband and I are avid readers of your fabulous magazine. As a woman, I was hesitant about reading MaXimum MILF until one day when he inadvertently left an issue in the bathroom. I have to admit that I am in love with the women in your photos. They seem to have a confidence about them. Not like the eighteen year-olds in other mags. They get me hot and by the time I finish looking them I have to masturbate right away. So I sat on the toilet with no underwear on and slid my hand down there. I had the magazine on my lap and found myself coming after only a few minutes. My husband doesn't get me off that fast. Darn, I hear him at the door. So keep up the great work, and please don't change a thing.

– Natalia, Washington D.C.

Bailey and Erin generated a lot of mail. They proved to be really big fan favorites so we have asked that they come back for another pictorial. Bailey was all for it. Erin has since moved but Bailey said she would try to get in touch with her. – the editors.

TWOSOME THREESOME

I want to congratulate you on the Erin & Bailey pictorial. I've always enjoyed the fantasy element in two women getting it on and this is really hot stuff. Like most people, I think there's nothing more tempting than two beautiful women together. So, I have to tell you – My best friend, Jennifer, gave me an all-girl bridal shower, with a twist. There were about twelve of us in the hotel room sitting around talking, drinking champagne and playing those silly games when the doorbell rings. Jen answers the door and it's the hotel manager. There is another man with him identifying himself as hotel security. He has a black briefcase with him and as they walk in he puts it on the table next to the sofa. The manager asks what's going on, there were noise complaints. Jen tells him it's bridal shower party. The security guard asks who's the bride-to-be? They all point to me and I turn bright red. The two men look at each other and the manager leaves the room. The security guy comes over to me, takes me by the hand and sits me in a chair in the middle of the room. I think I'm beginning to figure out what's going to happen. He opens the briefcase and turns on the cd player inside it. He strips off his suit as the other girls begin to cheer him on. He then began to dance around me in the chair, bobbing his g-string-slung cock in front of my face. Jennifer was behind him laughing and dancing in sync with his every move. He straddles my legs and begins to shake it even harder when all of a sudden Jen yanks his g-string down and his hard cock pops up right in front of my face almost hitting my chin. The girls scream out in approval and urge me on with shouts of "Suck him!!" Not wanting to let them down, I reached out and started rubbing the monster cock in front of me. He moved towards me, plunged his huge penis into my mouth, and started slowly pumping in and out. As the girls cheered us on, he picked up the pace, fucking my mouth as fast as he could. After a while he stopped and told me to suck hard on the head, then he pulled away and shot cum everywhere. It was great and all the girls cheered. After his little show, everyone left except the security guard, Jennifer and me. We all ended up in the bedroom and they both undressed me. He buried his face between my thighs and began licking and sucking on my pussy while Jennifer licked and sucked his cock. He got up and placed the head of his cock at my slit, with one swift stroke, he dove it into me as deep as it would go. He began pumping fast and hard. I was shocked when Jennifer moved around and Jennifer began, sucking on my nipples. She then straddled my face while facing the stripper and

lowered her pussy down to my mouth. I was now eating pussy for the first time in my life. After about ten minutes the guy pulled out and shot his load onto my chest. We did this off and on all night. We have all gotten together six times in the past month. I now seem to be addicted to this type of sex, and do not know if I can settle for marriage and straight sex any more. Do you think this is a passing phase or should I call off the marriage for now?

– Arlene, Boston

Arlene, Sex is a natural and necessary function, without which one is not a complete person. You do seem to be hooked on it. But it is still seems a healthy passion, not an addiction. You are much too young to settle down to boring domesticity, although if you want to move in with one guy, it's worth a try to see how you like it. Married or not, he might hit the ceiling if you do a repeat performance. Contemplate giving up the idea of marriage or make it clear to your boyfriend that you want to have the type of sexual freedom that allows for your self-expression. However, consider living with him for a while to see how you two get along. – Ed.

WHEN THE CAT'S AWAY

Dear Editor,

I've been a loyal reader for many years and am finally getting around to writing you a letter about your magazine. I've seen it go through changes over the years, but one thing has remained the same. The great looking ladies you put in it every month. I especially like the boy-girl and girl-girl couplings. It's nice to see young people, supposedly married, doing things most of us only can dream about.

To that end, I just want to comment about those two super sexy felines in the pictorial *When the Cat's Away*. I love exotic women and those two were the cats meow. The long hair, the long fingernails, the long tongues, that all made me crazy hot. Over the years, I've stroked off many a time to each issue, but this one has to be right up there with my highest numbers. If you could find it in your heart, and in your library, can you print just one more picture of them. It doesn't have to be a sex shot, just something that when I'm looking at the next issue, I'll see their photo and it will remind me of them in the last issue. Thanks a bunch.

– Eddie, Spokane

Eddie, We can't refuse a request like that. But we're going to tease you with a shot of Rada's face. You'll have to go back tho that last issue to see Zlata's face, but we don't think you'll mind doing that. – Ed.

JAMMIN' IN JAMMIES

I was vacationing with my wife at one of those couple's resorts in the Caribbean and I have a story that your readers may like. It was our third night there and we had just finished a late dinner. We went back to the room, which, like many others, overlooks the pool area. The pool was deserted except for a couple young ladies still laying back on the beach chair. I was out on the balcony taking in the warm breeze when I noticed them. As I watched, one got off her chair and went to the other's who seemed to welcome her by spreading her legs open. The first girl knelt down and pulled her friends bikini bottom off and started licking her pussy. I rubbed my eyes to be sure I was seeing straight. I called to my wife to come see this. She came out to the balcony and took a look. She turns around to walk back into the room, but sneaks right behind me and slides her hand down my loose pajama pants. She starts stroking my semi-hard cock and brings me up hard immediately. She lets go for a moment to pull by jammies just below my butt so my cock could free itself. She grabs it again from behind and starts to stroke me harder. She whispers in my ear that I should keep watching the girls. After a few minutes I hear one of them moaning as is she is coming and then let a moan out as I cum right after her. I spew it over the balcony and look down hoping I didn't hit anyone with it. Now that was fun!

– Buddy, Atlanta
